CONFIRMATION OF TELEPHONE INTERVIEW
MARCH 21, 2008

Transmitted herewith is a duplicated executed original of an Assignment filed by all of the inventors, in the CIP Application 09/195,897. This was recorded on January 15, 1999. This is being forwarded so that should I or the Korean attorneys not be able to locate the inventors, other actions can be taken.

Also enclosed is a Power of Attorney to myself, signed by Dong Soo CHUNG – Director, Patent Department. Please note that I still have a copy of the Power of Attorney

in the present Application, and for the sake of the record, a copy of a Change of Address, dated July 16, 2001, is also being submitted. Also, for the sake of the record, a copy of another Change of Address is being submitted so that all future mailings will be sent to me and this office.

Also, please note that this file was reconstructed by me for the Patent Office because some years back

Also, transmitted herewith is a copy of a paper mailed April 22, 2005, together with another "Combined Declaration and Power of Attorney", and the previously submitted Revocation of Previous Power of Attorney.

Applicants' attorney also kindly thanks the Examiner Mr. Samir AHMED for the telephone interview on Friday, March 21, 2008, and notifying Applicants' attorney of the additional material required in order to obtain issuance of this Application. As the Examiner well knows Applicants' attorney has been following this matter very carefully to expedite the granting of the Patent.

It is understood that the file has been located, and what is now required is a new oath. I will endeavor to act as promptly as I can, based on what the Korean colleagues do.

My reason for writing is to confirm the telephone interview, and to indicate that if the inventors are not available additional time may be needed.

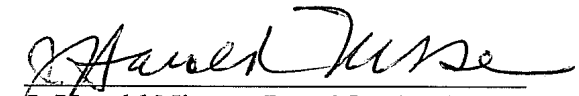

Also, for the sake of the record, a new Notice of Allowance, dated March 3, 2008, was received which is incorrect, and I have been calling the office to correct the matter

and was informed I would be called back after the file was located. If Mr. Ahmed can take care of this, it will be appreciated.

Respectfully submitted,
